Preferred Advertising Formats

We are very grateful for all advertisements we receive. To that end it would help us immensely to ensure they appear as desired that anyone wishing to place an advertisement in Link follows the specifications detailed below.

Files

The preferred file format is a .jpg or Word file. PDF files are not ideal but can be accommodated if there is no alternative.

Layout and Size

Ads can appear in portrait or landscape and the finished sizes are indicated below. We don't need files to be the exact finished sizes shown but what *is* very much appreciated is if the proportions indicated can be adhered to, i.e. 0.67 means that the width should be 0.67 x the height, 1.33 means the width should be 1.33 x the height etc.
